PRINCE EDWARD ISLAND PSYCHOLOGISTS REGISTRATION BOARD

APPLICATION FOR REGISTRATION AS A PSYCHOLOGICAL ASSOCIATE CANDIDATE

This document, when completed and submitted by you, is relied upon by the Board in deciding upon your application for registration. Please follow all instructions and complete this document carefully and accurately. If you become registered this document will form part of your permanent record at the Board. Please read the application form in its entirety before starting to complete it.

Applicants are solely responsible to ensure that all application documents are delivered to the Board. The Board accepts no responsibility for delays in receipt of application materials. Applicants are encouraged to submit all application documents by registered mail or courier *(faxed material will not be accepted)*..

T

Box 1			
Applicant Name:			
Date of Application: Day	Month	Year	

Please return your completed: < Application Form <Application Fee of \$525 <Curriculum Vitae

to:

Prince Edward Island Psychologists Registration Board c/o Department of Psychology, University of PEI, 550 University Avenue, Charlottetown, PE, Canada C1A 4P3

Please note that before an application for registration will be processed, the Board must be in receipt of all necessary documentation including all required professional and academic records and references. Applicants have 24 months from the date of application (see Box 1) to complete all necessary steps for registration. An application for registration will automatically expire 24 m onths after the date of the application. Documents received by the Board where there is no app lication on file will be kept for one year.

PRINCE EDWARD ISLAND PSYCHOLOGISTS REGISTRATION BOARD

APPLICATION FOR REGISTRATION

Please print or type:

A	. Demograp	HIC INFORM	ATION		
1.	Full Name of Ap	oplicant:		-	
	[Former legal na	mes used, if any]	:		
2.	Date of Birth:	Day	Month	Year	
3.	Sex:	Female 🗆	Male 🗆		
4.	Place of Birth:			Province/State, etc.	
5.	Are you legally e			No 🗆 If no, please explain	

B. OFFICIAL CONTACT INFORMATION AND RECORD LOCATION

Please provide all information requested below. If there are changes to any of this information, you are required to inform the Board in writing within 30 days of the change so we may amend the Register.

6. Practice records are any records that relate to your provision of psychological services including: notes, reports, invoices, tests and test results, test protocols, interview notes, correspondence, and any other documents, and includes information that is stored on computer or tapes. If you are accepted for Registration, the Board will require the following information. The Board is primarily concerned about those records over which you have power and control and which you consider to be the records of your psychology practice.

My practice records are kept and/or stored at the following location(s):

a)	Address:	Phone:	
,			\Box a home office
			🗆 a business premise
			commercial storage
			\Box other, please specify:
b)	Address:	Phone:

K. AREA OF PRACTICE

46. Please indicate by checking off one of the boxes below your principal area of practice in psychology, in which you will be prepared to demonstrate competence in the eventual oral examination for registration as a psychologist. The ResearchlAcademic area is for those applicants who teach only. Please note that tho se identifying clinical as an area of practice will be expected to demonstrate competence in formulating and communicating a diagnosis in the oral examination.

Clinical Psychology

Clinical psychology is the application of knowledge about human behaviour and culture to the assessment, diagnosis, prevention, and/or treatment of individuals with disorders of behaviour, emotions and/or thought, to counselling and consultation with couples, families, and groups, and to the enhancement of psychological and physical well-being.

Clinical Neuropsychology

Clinical neuropsychology is the application of knowledge about brain-behaviour relationships to the assessment, diagnosis, treatment and rehabilitation of individuals with known or suspected central nervous system dysfunction, neurological disorders, traumatic brain injury, and learning difficulties.

Counselling Psychology

Counselling psychology is the application of psychological knowledge to the assessment, prevention, and treatment of individuals, couples, families, and groups in order to help people adjust to problematic events and accomplish life tasks within the major spheres of work, education, relationships, and family during the lifespan developmental process.

ForensiclCorrectional Psychology

Forensiclcorrectional psychology is the application of knowledge about human behaviour to the understanding, assessment, diagnosis andlor treatment of individuals within the context of criminal andlor legal matters.

Health Psychology

Health psychology is the application of psychological knowledge and skills to the promotion andmaintenance of health, the prevention and treatment of illness, helping individuals, couples, families, andgroups cope with physical illness, and the identification of determinants of health and illness.

IndustriallOrganizational Psychology

Industriallorganizational psychology is the field of psychological practice and research that aims to further the welfare of people and the effectiveness of organizations by: understanding the behaviour of individuals and organizations in the workplace; helping individuals pursue meaningful and enriching work; and assisting organizations in the effective management of their human resources.

Rehabilitation Psychology

Rehabilitation psychology is the application of psychological knowledge and skills to the assessment and treatment of individuals, couples, families, and groups, with impairments in their physical, emotio nal, cognitive, social, or occupational capacities as a result of injury, illness or trauma in order to promote maximum functioning and minimize disability.

□ ResearchIAcademic

Research lacademic psychology is the field of psychology that aims to expand and dissem inate psychological know ledge through scientific inquiry, examination, investigation, and lor experim entation.

School Psychology

School psychology is the application of knowledge about human behaviour and development to the understanding and assessment of the developmental, social, emotional and learning needs of children, adolescents, and adults; to the protection, promotion, and creation of learning environments that facilitate learning and mental health.

47. Please indicate your activities and services in your declared area of practice. Please note that those identifying clinical as an area of practice will be expected to demonstrate competence in formulating and communicating a diagnosis in the oral examination for registration as a psychological associate.
